

## **Role Description – Event Volunteer**

### **Role Purpose**

Our Event Volunteer role is vital in ensuring that we can help families of seriously ill children. From marshalling and providing encouragement at cheer points for those participating in challenge events, helping at our Momentum events like our comedy night, carol concert or opera night, manning summer and festive stalls and bucket collections, to attending local events to raise our profile to getting into character as 'Mo' our owl mascot. The gift of your time is invaluable to our charity.

### **What we are looking for in our volunteers**

We are looking for enthusiastic, friendly, trustworthy people who enjoy being in a group with other volunteers. Depending on the event, you will need to be able to withstand all weather conditions and be happy to be on your feet... or not! Flexibility, self-motivation and the willingness to motivate others are all great traits for Event Volunteers.

### **What's in it for you?**

You will be part of the Momentum team of volunteers and will meet plenty of other like-minded, friendly people at whatever event you choose to get involved in. You will gain satisfaction knowing that you have made a difference to the participants and raised the profile of Momentum at the event.

### **Hours required**

Hours will vary, but it could be anything from 2-6 hours per event. This is an ad-hoc role and we will keep you informed of dates/times that we are looking for volunteer support. We will contact you when we need you and you are under no obligation to accept if you are otherwise busy.

### **Location**

The locations will vary but much of our work and events are based in Surrey, Sussex and South West London.

### **How we'll support you**

There will be a key point of contact for you from the Momentum office and we'll give you all the information you need prior to the event, such as meeting points, required resources and points of contact.
