MOMENTUM CHILDREN'S CHARITY

EnergyRocks 2022 will build on the previous Rock'n'Oil events which have raised more than £100,000 for selected charities. But we need your help to raise as much as possible for our chosen charity partner, Momentum Children's Charity.

Being told your child has cancer or another life-challenging condition is devastating. Day-to-day life stops still. Momentum Children's Charity help families to keep moving forward through times of unimaginable strain – supporting children and their parents, as well as siblings too. At any one time, they support around 240 families whose child is in active treatment, and a further 110 bereaved families, so that no family with a seriously ill child has to cope alone.
