

Payroll Giving

Ongoing support for
families, every month.

With Payroll Giving, employees can give small, regular monthly amounts straight from their salary, before tax, through their employer's payroll.*

It costs less to give, helps Momentum plan ahead, and provides consistent, long-term support to families of seriously ill children when they need it most.

It's simple, tax-efficient, and helps businesses show that they care over time.

Registered charity no: 1195373

If you're a basic rate taxpayer, a **£10*** monthly gift to Momentum **will cost you just £8, while Momentum receives the full £10.**

*Example donation. Savings vary depending on your tax rate.

*Payroll Giving is set up through employers' payroll systems using approved HMRC Payroll Giving Agencies
